2015 Social Welfare Information

● **Social welfare engagement:**

Public interest projects	2015 Donations
The Taiwan Fund for Children and Families (TFCF) is a non-profit organization dedicated to helping disadvantaged children and their families. The efforts of the TFCF provide children with family-based support, protection of physical and mental well-being, a healthy environment to grow up in, opportunity for proper education, and a life of happy learning. The Company supports this philosophy for helping disadvantaged children.	NT\$102K
World Vision Taiwan strives to provide assistance to children and families in Taiwan and overseas affected by famine, war and natural disasters, and to improve their conditions so they can achieve self-sufficiency. The Company supports this philosophy.	NT\$107K
“World Peace” is a national organization registered with the Ministry of the Interior. Guided by its tenet of “world peace originates from inner peace, the foundations for inner peace are laid down in childhood”, World Peace believes that “Inner peace in children is the foundation to world peace.” Its therefore strives to protect children’s minds by providing assistance to children and families affected by poverty or in crisis. A donation was therefore made to World Peace’s Save the Children program in support of this philosophy.	NT\$100K
The explosion at Formosa Fun Coast on June 27, 2015, injured 498 people. Survivors were also faced with crippling medical and rehabilitation costs for burn injuries. To help those in need, a donation was made to the Formosa Fun Coast Powder Explosion Assistance Program managed by the Social Welfare Department of New Taipei City. The money will go assist victims with medical care and rehabilitation as well as the rebuilding of their lives.	NT\$1,000K

● **Social service activities:**

“Pili Family” Background and Activities

There are many unsung heroes in society. The visits to children’s homes are an employee initiative that hopes to redirect resources to those who need it. The visits also offer employees an opportunity to bond outside of work and practice the spirit of philanthropy.
