Intellectual Property Management Execution in 2024

According to Article 2.27 of the 2024 (11th) Corporate Governance Evaluation published by the Taiwan Stock Exchange and the GreTai Securities Market, the status of Intellectual Property Management is as follows:

In accordance with the Intellectual Property Management Plan, the main implementation status is as follows:

1. Property Management Operations: Periodic spot checks of intellectual property documents, including film library (masters + complete tapes), Blu-ray cartridges, "scripts," "weapon and prop photos/design drawings," "costume design drawings," "set design drawings," "character design photos and physical copies," along with property inventory numbers and image files. These are managed and archived according to the progress of the series or project.
2. Acquisition of Intellectual Property Inventory and Results:
